SANTA FE TRAVEL TRAILERS

Regardless of the adventures you plan add the luxuriousness, convenience and dependability of a Santa Fe. Fun begins immediately, memories last.

Santa Fe expanded their selection of models to include units for all recreational travel. With luxury features to comfortably accommodate even large families.

Standard, semi or fully self-contained travel trailers ranging from the 12′ Cub to the tandem axle 22′, with attractive new designs that make them a "stand-out" wherever you go.

All Santa Fe Trailers are constructed to comply with the rigid specifications of the California State Division of Housing and inspected!

In addition to complying to these strict codes, Santa Fe also includes these quality "extras" in all models . . . Undercoated metal wheel housings • Automotive undercoating • Fiberglass insulation • Sturdy double wall construction • Prefinished metal exteriors • Heavy-duty floors and roofs.

This quality and craftsmanship plays an important role in maintaining Santa Fe's reputation of producing "Your Best Dollar Value In All-Around Travel and Vacation Trailers."
